COMMITMENT

I am able to commit to reflecting on my personal experience of the city, and this learning journey, and sharing what I learn with others from time to time.

I am able to commit to full participation for the duration. (This means the following every two weeks: reading one or two chapters, an hour or so of personal reflection time with the workbook, and one connection with a buddy. It also means attending at least 6 of 8 gatherings.)

PAYMENT

The value of the Nest City Circle is \$990 CAD + GST. AND we are asking people to pay what they can. This means that you might pay \$990, or more or less. (You can pay more to help cover the costs for those who pay less and you can pay less to make what you pay the right stretch for you.)

Here's how it might shake out for you:

OPTIONS	GST	TOTAL	
\$1880	\$94.00	\$1874.00	to pay what I can for myself and another
\$1435	\$71.75	\$1506.75	to pay what I can for myself and half of another
